

2009 Davidson Lacrosse Fall Clinic Field Players and Goalies

The three hour clinic is designed to focus on all areas of the game including; skill development and improvement, enhancing game sense and breaking down offensive and defensive situations. Current Davidson players and coaches will dedicate the three hours to throwing and catching, ground balls, dodging, 1v1 attack and defense and small game situations. Each player will be assigned to a group based on their age and experience so nobody feels overwhelmed. Coaches and players will work with each group and player individually to better their strengths and help improve on their weaknesses.
